

# Mannequin

(a grotesque play in one act)

Ladies and gentlemen, ladies and  
gentlemen —

behold the star of our show! —

A mannequin made of 80% water! Have you ever seen anything  
like it?!

Oh, you're going to laugh now!

Take a look at that black hole in his chest,  
it burbles so loudly it drowns out his voice and knocks him off  
track!

Truly remarkable — is it a coma while alive, or just a botched  
anesthetic?!

A loud, mocking laughter erupts.

Curtain.
